

It is vital in a democracy that the media represent a full range of opinions. There has already been too much consolidation of ownership in the hands of too few. Please protect the principles that our country was founded upon and do not allow further consolidation. I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Sincerely,

Paul Charbonnet Moulton
